### Notes

Head coach Terry Dunn is entering his sixth season at the helm of the Big Green ... for the second straight year, Dartmouth will be captained by the duo of forward Jarrett Mathis and guard Robby Pride ... the Green need just three more victories to reach 1,200 in the program's history ... Dartmouth will be without the services of 2008-09 Ivy League Player of the Year Alex Barnett, who led the league in scoring and topped the team in just about every statistical category. Barnett graduated last spring and is now playing in France ... last year the Big Green tied for fourth in the conference, their best finish since Dunn's first season in 2004-05 when Dartmouth posted an identical 7-7 mark in the league to tie for third ... the Green defeated both Penn and Princeton on the road for the first time since the 1945-46 season ... Dartmouth swept the season series from Penn as well, the first time it had done so in 50 years ... David Rufful was the Ivy League Rookie of the Week twice last year, while Jabari Trotter took home the distinction once.
