Dear Season Ticket Holders and Those That Can Be!

With our spring practices behind us, we can confidently say that you will see a different football team this fall! The maturity and physical development that has occurred coupled with a strong commitment and attitude has Dartmouth Football prepared to compete successfully this season.

The 2007 season kicks off early with a challenging non-conference game against Colgate on September 15th. The rest of the home schedule features tough Ivy League opponents Penn, Columbia for Homecoming and finishes with Cornell and Princeton. With the completion of the Memorial Field and Floren Varsity House projects in sight, we know that our field will be one of the toughest places to play in the Ivy League.

We will play an exciting brand of football this fall and we hope to see some of the largest crowds in years at Memorial Field.
